

Registration is now open for the **14th International Conference of Young Scientists on Energy Issues (CYSENI 2017)**.

The conference will take place on **25-26th of May, 2017** at the **Lithuanian Energy Institute** (Breslaujos st. 3, Kaunas, Lithuania).

The main goal of the 14th annual Conference is to discuss issues and perspectives of energy sector worldwide; as well as to provide a **free** platform for young scientists to develop their skills. Ph. D. students, postdocs, master students and all other young scientists doing research on energy issues are welcome to the Conference as speakers and participants, free of charge.

## CONFERENCE TOPICS

1. Renewable energy sources
2. Energy efficiency and reliability
3. Smart energy networks
4. Energy economics and policy
5. Hydrogen energy and fuel cell technologies
6. Fusion energy
7. Nuclear fission and radiation protection
8. Combustion and plasma processes
9. Thermal physics, fluid mechanics and metrology
10. Material sciences and technologies
11. Global change and ecosystems
12. Cross-cutting energy issues

## DEADLINES

**January 6, 2017** – the deadline for registration and abstract submission

**March 6, 2017** – deadline for draft paper submission

For more information on the conference, venue, programme and up-to-date information visit the conference website:

[www.cyseni.com](http://www.cyseni.com)

and follow us on [Facebook](#).

## REGISTRATION FORM

### CONFERENCE ORGANIZER

LEI is a state scientific and technical research centre dealing with energy related research important for Lithuanian energy sector, economy, and international cooperation.
